Milestone 2 Review – All Americans

Quality of Work – 3 Points – Overall I feel as if the work is organized and correctly done, the readme file is clear as to indications of what is being used, and what is going on within the project. It gives me a clear understanding of what is going to happen within this project.

Project Progress – 3 Points – Again overall I feel as if the main features of this project are coming together very well and demonstrate a clear indication of what is going to be used within the project.

Video – 3 Points – Overall the video gives me a good sense of helpful information of what is going on within the project, and a brief demonstration of what the features that are going to be used within the project.

Overall this project feels like it is coming along smoothly, with the information needed in order to filter, choose, and pick what you are looking for within the All American athletes this project will be falling into place soon.
